Experience

October 2023 - Present

Perbadanan Perpustakaan Awam Negeri Perak (PPANPk)

Librarian - Contract (Pembantu Pustakawan Gred S19 | S1)

(Unit Teknologi Maklumat ICT)

- Assisted in developing system applications to meet organizational needs using MVC Framework (Codeigniter 3, Codeigniter 4, Laravel, Bootstrap).
- Managed procurement, maintenance, and troubleshooting of ICT equipment, including servers and network systems.
- Monitored and managed ICT asset movement, including rentals and loans.
- Assisted in installing and configuring new ICT equipment and network systems for the organization

(Unit Perpustakaan Awam Negeri dan Gerakan Membaca)

- Engaged with the community through outreach activities and partnerships with local schools and organizations and promoted library activities such as mobile library bus services, knowledge discourses, quizzes and public activities, and workshops.
- Managed circulation desk operations, including checking in and out materials and collecting fines using the KOHA system and an in-house website known as EZiSTAT.
- Instructed children in coding and programming concepts through interactive sessions using LEGO Education Spike Prime.

February 2023 - October 2023

Perbadanan Perpustakaan Awam Negeri Perak (PPANPk)

Librarian - Pekerja Sambilan Harian (PSH)

(Unit Pengurusan dan Pembangunan Koleksi)

- Evaluated, selected, and acquired library materials including books, electronic resources, and multimedia for the interest of library patrons.
- Interacted and negotiated with book suppliers and vendors in order to reach an arrangement to acquire and obtain materials for the library's collection.

October 2022 - February 2023

Perbadanan Perpustakaan Awam Negeri Perak (PPANPk)

Internship

(Unit Teknologi Maklumat ICT)

- Developed a Content Management System (CMS) website to facilitate content addition on the library's official website by staff without programming knowledge.
- Troubleshoot and resolved basic technical issues related to library computers, printers, and software.
- Provided basic training and assistance with technology tools and software applications to library staff.

July 2022

Universiti Teknologi MARA (UiTM), Tapah Campus

Final Year Project

- Developed an On-Demand Car Wash Hybrid Application that locates the nearest car wash services and delivers them to their homes.

Achievement

Dean List Award Recipient, UiTM Tapah

- Semester 3 (February 2021) and Semester 6 (February 2022)
